

Why Accessorize with Star?

[Visit the Star Micronics Accessories Page](#)

Support and maintenance

One point of contact. A single point of contact streamlines support and maintenance efforts, making sure you get the help you need ASAP and reducing costly downtime.

Peace of mind

Everything integrates correctly. When everything integrates seamlessly, business operations run obstacle-free, keeping customers happy and employees productive.

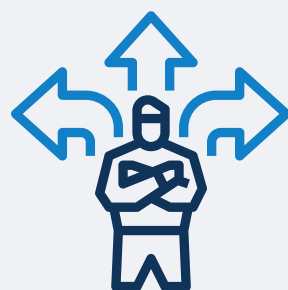

Trust

Product testing complete and competitive marketplace pricing. We test and price our products before we offer them to you, ensuring high quality reliable products and competitive pricing.

Flexibility

Purchase accessories now or later, bundled or unbundled. Whether you need a single product or a bundled solution, Star offers the flexibility to purchase accessories now or later.

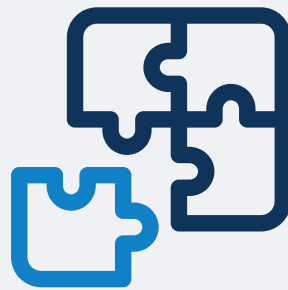

Availability

Always available inventory from any distributor. Star partners with a number of distributors and each one is always stocked with Star solutions ready to meet your business needs.

Compatibility

Backward and forward compatibility. Whether you're operating with legacy Star products or brand new ones, Star's accessories will integrate seamlessly.

Partnership

Better support and reseller understanding. At Star, we understand retailer and reseller needs. We're ready to prove the support required to help you run your business as profitably as possible.
